SOUTH SHORE

South Shore

NovaScotia.com

Quarterdeck Beachside Resort

Coastal charm, outdoor adventure, and sea-inspired artisans and cuisine

From the UNESCO World Heritage Site of Old Town Lunenburg, with its colourful working waterfront and beautiful architecture, to the inspiring views of the coast and its 40-plus lighthouses, the South Shore is much more than the home of *Bluenose II* and the must-photograph Peggy's Cove. It is a place where you can imagine a time when tall ships filled the harbours and experience the area's seafaring heritage first-hand.

Watch how pewter designs become keepsakes before crafting a piece yourself at Amos Pewter in Mahone Bay, Canada's only Pewter Economuseum. At Kejimikujik National Park and National Historic Site, discover Mi'kmaw petroglyphs etched in rock, with the help of an interpreter, and experience stunning stargazing in the Dark Sky Preserve.

Culinary delights abound here, and fresh seafood is the cornerstone of many delectable dining experiences, like the famed Shore Club Lobster Suppers in Hubbards, famous for great live music and serving more than a million lobster suppers over the past 70 years. Delicious seafood is never far away!

Liverpool Adventure Outfitters offers a variety of guided tours, from their Sunset SUP & Sip, complete with a tasting flight at Hell Bay Brewing Co. to a full day tour that takes you down the Mersey River and out through turquoise waters around neighbouring islands.

Camping with ocean views

Who needs a sound machine when you can have the actual ocean lull you to sleep? Reserve a site at Graves Island, Rissers Beach, Thomas Raddall, or The Islands Provincial Parks for a seaside camping getaway. Be sure to book early as oceanside sites can fill up quickly.

Rum Runners Trail, Lunenburg to Halifax

Take a guided bike tour with Freewheeling Adventures or map out your own adventure with rentals from Lunenburg Bike Shop, Sweet Ride Cycling, or Train Station Bike & Bean. Enjoy a leisurely two-day (or more!) bike ride, savouring the local flavours at award-winning restaurants and exploring attractions and seaside artisan shops along this 119-kilometre multi-use rails-to-trails route. Connect through Mahone Bay, Chester, Hubbards, and Head of St. Margarets Bay; there are multiple access points over seven trail sections.

Kejimikujik National Park Seaside, Port Joli

Discover this wild and isolated coastline of glacier-carved headlands, secluded rocky coves, and expansive silver sand beaches, complete with sightings of seals and various shorebirds. Explore the two coastal trails, Harbour Rocks and Port Joli Head, as you make your way to the beach.

Sail the Mahone Bay Islands

Book a private sailing charter with Sail and See to learn about local history, stories, and legendary island mysteries. Keep your camera ready for seals, seabirds, and to capture yourself taking the wheel or raising the sails.

Kejimikujik National Park & National Historic Site

Explore ancient Mi'kmaq canoe routes, encampments, and portages, backcountry camping sites, spectacular stargazing, and an impressive system of hiking and cycling trails. Bring your own equipment or rent a canoe or kayak and safety equipment at Whynot Adventure Outfitters.

Graves Island Provincial Park

Kejimikujik National Park & National Historic Site

Capture a moment

Here you will find unspoiled landscapes, majestic seascapes, and—clinging to the coastline between them—captivating vibrant communities.

UNESCO Southwest Nova Biosphere Reserve

Experience the night sky the same way the Mi'kmaq saw it thousands of years ago, in spectacular darkness. In this rare place unaffected by light pollution, take a nighttime journey into the darkest skies of Nova Scotia. Learn about astronomy and Mi'kmaq cultural perspectives of the star-filled night sky with Parks Canada interpreters and Royal Astronomical Society of Canada astronomers.

Lunenburg Waterfront

Red wooden warehouses, brightly hued heritage homes, and crystal-blue water make the Lunenburg waterfront a jewel-toned tapestry. The best view is from Bluenose Golf Course on the other side of the harbour.

Peggy's Cove

Probably the most-photographed lighthouse in Canada, the Peggy's Point Lighthouse is a must capture. Just keep off the black rocks. Avoid the crowds and capture the sunrise and picturesque Peggy's Cove Village from unique vantage points by joining the Peggy's Cove Morning Light Tour with Picture Perfect Tours.

Blue Rocks, near Lunenburg

Artists, photographers and kayakers alike will be delighted by the undeniable natural beauty of the fishing village and surrounding islands of Blue Rocks.

Historic Shelburne Waterfront

Shelburne's beautiful wooden buildings and maritime essence combined with an historic streetscape free of power lines make it easy to capture a stunning image from land or boat.

Three Churches, Mahone Bay

The *New York Times* called this postcard view "pretty as a picture." Turn down the Oakland Road for a good vantage point and see for yourself why it is so charming.

LaHave Islands

Home to some of the few remaining island communities, the LaHave Islands showcase an important cultural landscape. Learn about the area, its inshore fishery, and island life at LaHave Islands Marine Museum. Explore the sheltered passageways and narrow inlets by kayak with Cape LaHave Adventures to discover fishing wharves, pristine beaches and coastal wildlife.

48 Hours Exploring

Day 1

Morning

Spend the morning sea kayaking the picturesque waters of Blue Rocks with **Pleasant Paddling**. Explore islands and coves and maneuver narrow passageways. You may even spot a seal or porpoise! Then head into the nearby **UNESCO World Heritage Site** with **Lunenburg Walking Tours**. Your lively guide will give you the details on this historic port town. Afterwards, stroll the colourful streets browsing the quaint shops.

Afternoon

After a lunch of local seafood overlooking the harbour, enjoy a rum tasting at **Ironworks Distillery**, then check out Nova Scotia's sailing ambassador, **Bluenose II**, (confirm she's in port prior to your visit). Then visit the **Fisheries Museum of the Atlantic** to learn about her history.

Evening

Spend the night at a seaside resort. Enjoy dinner overlooking the ocean at either **White Point Beach Resort** or **Quarterdeck Beachside Villas**, followed by a stroll on the beach as the sun sets over the ocean.

Day 2

Morning

After breakfast overlooking the beach, head on to **Kejimikujik National Park Seaside**. Explore the coastal trails leading to turquoise waters lapping at white sand shores.

Afternoon

Enjoy lunch in Shelburne at **Charlotte Lane Café** and a craft beer tasting at **Boxing Rock Brewing Co.** before travelling to the **Black Loyalist Heritage Centre** in nearby Birchtown. Then, continue on to Barrington where you can learn axe throwing from a world-champion log roller at **Wild Axe**.

Evening

Barrington is the Lobster Capital of Canada. Visit **Capt. Kat's Lobster Shack** to get your fix. From lobster rolls to lobster fondue, creamed lobster to lobster poutine and everything in between, you'll find all things lobster here!

YARMOUTH & ACADIAN SHORES

Yarmouth & Acadian Shores

NovaScotia.com

Cape Forchu Lighthouse

Where the stars align

There's a bit of magic in Yarmouth & Acadian Shores. It's quiet and peaceful, yet full of adventure. This is where the land meets the sea. And where the darkest skies let the stars shine their brightest. It's where the food is fresh and local, and the music is too. It's where everything comes together. It's where the stars align.

This region is part of North America's first starlight destination—Acadian Skies and Mi'kmaq Lands—as designated by the International Starlight Foundation. Here you can discover dark skies like nowhere else, with brilliant stars from distant galaxies shining against the night sky. Enjoy a guided tour of the night sky at Deep Sky Eye Observatory, complete with onsite sky bubble accommodations. Or head to the world's first certified Starlight Hotel, Trout Point Lodge, for a luxury wilderness escape with gourmet dining and guided outdoor adventures.

Located within the UNESCO Southwest Nova Biosphere Reserve, this region offers scenic coastal drives, quaint fishing villages, and untouched landscapes. This is where you can begin your Nova Scotia experience, exploring nature and culture.

Traditions, music, and food have been more than preserved here—they flourish. Immerse yourself in Acadian culture at Le Village historique acadien de la Nouvelle-Écosse, a picturesque living history museum with costumed interpreters and onsite cafe. Be sure to try traditional Acadian dishes like fricot and rappie pie.

In downtown Yarmouth, stroll the Heritage District to see colourful murals and unique Victorian homes.

Experience the vibrant culture and joie-de-vivre this region has to offer!

Outdoor adventures

The Yarmouth & Acadian Shores region offers intrepid explorers an exciting array of off-the-beaten-path experiences for every fitness level.

Seaside walking trails await, Cape Forchu Lighthouse

Enjoy a magnificent ocean view from a past winner of "Canada's Greatest Public Space." Explore the Leif Erikson Park trails and look-off points in the 17-acre seaside park, and finish with visits to the museum, café, and local craft shop. Pedal your way here—a gentle, rolling ride, only 10 kilometres from Yarmouth.

Le Petit Bois Interpretive Trail, Church Point

Take a self-guided or guided interpretive walk to discover the Acadian history and natural beauty of the region. Observe local wildlife and unique plants, and learn about duck and owl habitats. A lighthouse-shaped observatory offers an outdoor deck and equipment for sea-bird and seal watching. Stop by the Acadian Interpretive Centre in the nearby Rendez-vous de la Baie Visitor Centre and learn about the fascinating history of the Acadians in this area.

Bucket-list cycling, Gran Fondo Baie Sainte-Marie

Ride in the largest cycling event east of Quebec! Experience true Acadian hospitality with local music along the panoramic coast of St. Mary's Bay, as you navigate inland and coastal roads. And after all that, fresh lobster and live music are your rewards. There are five rides for all skill levels, from 35 to 161 kilometres. The 2025 event will occur on September 13–14.

Sandford Drawbridge

Stop by the Sandford Wharf and check out the smallest operating drawbridge in the world. You can walk over the bridge and get a nice vantage point of the wharf, fishing boats and surrounding waters. Be sure to snap a photo of yourself atop this unique structure.

Mavillette Beach Provincial Park and Cape Saint Mary Lighthouse Park

Two spectacular outdoor sites within a 5-minute drive! Mavillette is home to a breathtaking 1.5-kilometre sandy beach, backed by fragile marram grass-covered dunes protected by boardwalks. Explore waters around the Yarmouth area on a stand-up paddleboard. Early birds can rise and shine with a sunrise paddle to start the day right. For the night owls, a scenic sunset paddle around Yarmouth Harbour may be more enjoyable. For everyone else, daytime tours, lessons and rentals are available.

NovaScotia.com

Local Guy Adventures, Spencer's Island

Savour the bounty of land and sea

This is a place where life is shaped by the sea and fertile soil. Together they tell a captivating story. The world's highest tides carve the dramatic cliffs of the Cliffs of Fundy UNESCO Global Geopark and caves and ocean floor experiences at Burntcoat Head Park that define the Bay of Fundy coastline.

Fresh food is a way of life in the heartland of Nova Scotia's farming and wine industry. Bay of Fundy Tides influence the climate and rich soils with ties to historic Acadian agricultural innovations resulting in bountiful harvests, the freshest local catches, and character rich wines. The area is home to 17 wineries and many craft breweries, distilleries, and cideries; meet the producers, discuss their craft, and sample their award-winning creations. NORTHUMBERLAND SHORE

Melmerby Beach Provincial Park

Experience warm-water beaches, charming towns and fab foodie finds

With more warm-water ocean beaches than anywhere else in Canada, this shore is Beach Country. There is always room for your beach towel, so don your swimsuit and sun hat and head out to Bayfield, Blue Sea, Caribou-Munroes Island, Heather, Melmerby, Northport, Pomquet, Rushtons, or Waterside Beach where the sparkling salt water averages more than 22°C (72°F) in the summer. Local producers of wine, spirits, craft beer, chocolate, and seafood are also dotted along this coastline, making for perfect pit stops as you beach hop.

But there is more along this quaint shoreline than beaches. This region is a burgeoning culinary destination with choices ranging from Atlantic Canada's first sustainable seafood restaurant at the 5-star Fox Harb'r Resort to handmade Appleton Chocolates. Farmers' markets can be found in Amherst, Pugwash, Tatamagouche, New Glasgow, and Antigonish, where just-harvested fruits and vegetables abound alongside one-of-a-kind handcrafted pieces by local artisans. Visit the GINstitute at Steinhart Distillery to craft your own gin, or Peace by Chocolate in Antigonish for a sweet treat.

Coastal accommodations are plentiful here, from cozy seaside cottages to campgrounds overlooking the Northumberland Strait. For a peek into this region's past, look no further than the Hector Heritage Quay in Pictou, the "Birthplace of New Scotland."

In New Glasgow, visit Viola's Way to learn the powerful story of Viola Desmond who stood up to racial inequality and became a Canadian civil rights leader.

CAPE BRETON ISLAND

Welcome to Cape Breton Island

Words of welcome have long been offered to visitors as they cross the Canso Causeway to Cape Breton, ready to explore a region where history lives and breathes.

Step into the life of a French settler at the Fortress of Louisbourg National Historic Site, North America's largest historical reconstruction; take a White Glove Tour of the Alexander Graham Bell National Historic Site and get a behind-the-scenes glimpse into Bell's life; hear Mi'kmaq stories and music while on an Eskasoni Cultural Journey; discover Chéticamp's Acadian history and world-famous hooked rugs at Les Trois Pignons Museum; visit Baile nan Gàidheal | Highland Village, an outdoor living history museum and Gaelic folklife centre that illustrates the story, culture and identity of Nova Scotia Gaels; or tap your toes to the Celtic tunes and try your hand at playing the fiddle at the Celtic Music Interpretive Centre. Tales of Cape Breton's past continue to influence its future with countless opportunities for you to become immersed in the Island's stories.

Breathe in the fresh air as you venture outside to take in a hike along the Skyline Trail in Cape Breton Highlands National Park, recently voted the Best National Park in

Canada by *USA Today 10Best*—the spectacular cliffside ocean vista is a reward for the senses. Play a round at Cabot Cliffs or Cabot Links, named #13 and #25 respectively on *Golf Digest's* World's 100 Greatest Golf Courses for 2024 and #1 and #6 respectively on *Golf Digest's* Best Courses in Canada for 2024. Stretch your legs with a bike ride or hike along the Celtic Shores Coastal Trail. Take a bike, car, or motorcycle tour of the world-renowned Cabot Trail, recently voted Best Scenic Drive in Canada by *USA Today 10Best*, with its dramatic coastal views and highland scenery.

From history and culture to music, seafood, outdoor adventures, talented artisans, and friendly locals, a new discovery awaits around every corner of Cape Breton Island, named the #1 Island in the Americas by *Condé Nast Traveler* in 2019, 2020 and 2021, and #1 Best Island in Canada by *Travel + Leisure* in 2020 and 2021.

CEILIDH TRAIL

Ceilidh Trail

NovaScotia.com

Lawrence's Beach, Port Hood

Gaelic culture at its best

“Ceilidh” (*kay-lee*) is Gaelic for “gathering,” and a journey along the Ceilidh Trail (Route 19) by vehicle, or the Celtic Shores Coastal Trail by bike, offers an opportunity to experience the true meaning of the word. Both routes run parallel to the ocean and connect the communities and attractions along the way.

Meet the locals by stopping into the Celtic Music Interpretive Centre or The Red Shoe Pub for some live music and dancing, and enjoy a delicious meal at The Clove Hitch Bar & Bistro overlooking the ocean in Port Hood. Say hello to artist Ann Schroeder and peruse her beautiful hand-painted quilts and silk scarves. A trip to Mabou wouldn’t be complete without a stop at the Mabou Farmers’ Market. Over 40 vendors offer delicious local food and produce, beautiful jewellery and art, and of course, live music on Sunday mornings. For the golfer in your group head to Inverness and play a round at the world-renowned Cabot Cliffs or Cabot Links, named #13 and #25 respectively on *Golf Digest’s* World’s 100 Greatest Golf Courses for 2024, #1 and #6 respectively on *Golf Digest’s* Best Courses in Canada for 2024, and #1 and #3 respectively on *SCOREGolf’s* Top 100 for 2024.

Gaelic, Acadian, and Mi’kmaq people have strong roots in this area. Nowhere is this more evident than at the Strathspey Performing Arts Centre, a state-of-the-art performance facility where the music, dance, and folklore of these cultures are celebrated.

History, culture, and beautiful natural landscapes are combined here, offering up an unforgettable visit along Cape Breton’s rugged coast.

Unexpected discoveries

Galloping Cows Fine Foods, Port Hood

This culinary treasure offers hand-crafted preserves that were featured in gift baskets at the Golden Globes, the Oscars, and the Toronto International Film Festival. Create your own gift basket of favourites, such as blueberry-rhubarb jam and brandy cranberry marmalade.

Glenora Distillery, Glenville

North America’s first distiller of single-malt whisky is cradled in a glen in the picturesque Mabou Highlands. Enjoy a tour of the distillery, followed by a taste of Glen Breton Rare whisky—the closest to authentic Scotch outside of Scotland. Don’t forget your dancing shoes, The Glenora Pub has traditional ceilidhs twice a day. Make it an overnight stay and book a room in the inn, lodge or a chalet on site. The surrounding foliage is especially beautiful during the fall.

Route 19 Brewing, Inverness

Enjoy a brew with a view! Located near world-renowned Cabot Links and Cabot Cliffs Golf Courses, this three-level facility, which includes a restaurant and tap room, is the ideal spot for a refreshing sampler after your round or a day at the beach, or for catching a sunset.

Tune in to Cape Breton music

Celtic Music Interpretive Centre, Judique

Take in a cultural performance

Strathspey Performing Arts Centre, Mabou

At this state-of-the-art performing arts centre, Cape Breton's rich diversified culture is celebrated through Celtic music and the folklore, dance, and music of the Acadian and Indigenous communities.

Live music with your meal

Red Shoe Pub, Mabou

Co-owned by world-renowned singers, the Rankin sisters, visit this iconic pub for a delicious, hearty meal and for toe-tapping live music, seven days a week. The pub is located nearby the Celtic Shores Coastal Trail.

Outdoor adventures

Whether you're cycling our oceanside Celtic Shores Coastal Trail or discovering the communities and sandy beaches nestled among the rolling hills, the natural environment of this region is best seen at a slower pace. Park your car and check out these gems.

Golf at Canada's only authentic links courses

Cabot Links and Cabot Cliffs golf courses at Cabot Cape Breton, Inverness

Cabot Cliffs was designed by Bill Coore and two-time Masters champion Ben Crenshaw and was ranked as the #1 on SCOREGolf's Top 100 in 2024, #13 of the World's 100 Greatest Golf Courses by *Golf Digest* in 2024 and ranked #1 and *Golf Digest's* Best Courses in Canada for 2024. Referred to as the "Pebble Beach of Canada" by *Links Magazine*, the course, set along the picturesque rugged seaside cliffs of western Cape Breton, features an unusual configuration of six par-threes, six par-fours and six par-fives. Nearby Cabot Links, with golf greens sculpted around sand dunes and ocean views offered at each of the 18 holes, is the recipient of continuous accolades, including SCOREGolf's ranking of #3 on their Top 100 in 2024. Enjoy fine dining at Panorama or casual pub fare at Whit's Public House after your round. Also, be sure to check out The Nest, a 10-hole par 3 course offering up some of the best views on the property.

Cycle the Celtic Shores Coastal Trail

Various entry points between Port Hastings, Troy, and Inverness

This 92-kilometre multi-use trail winds through the communities of Judique, Port Hood, Mabou, and Inverness. Along the way, you'll find active fishing harbours, beaches, exhilarating views, museums, restaurants, and accommodations. Include the trail in a multi-day cycling or trekking itinerary, or stop for an hour or two to take in the natural beauty of this area. Bike rentals and shuttle service are available at Eagle Eye Tours of Inverness.

Walk and swim at Inverness Beach

Explore the 1.5 kilometres of soft sand or a refreshing saltwater swim in the warm waters. This beach is supervised throughout the summer and features sand chairs and mats, allowing those with mobility challenges safe access to the water. Afterwards, enjoy an ice cream cone on the boardwalk through the sand dunes.

CEILIDH TRAIL LISTINGS

Communities are listed in order as found when travelling through the region on the Scenic Travelway roads.

Cabot Trail

Hike, golf and dance the Highlands

“I have travelled the globe. I have seen the Canadian and American Rockies, the Andes and the Alps and the highlands of Scotland, but for simple beauty, Cape Breton outrivals them all.”

—Alexander Graham Bell

The natural beauty of the highlands provides the perfect backdrop for outdoor activities such as golfing, kayaking, hiking, cycling, fishing, bird-watching, skiing, and snowmobiling. And don't forget the drive—the Cabot Trail was previously **voted Best Scenic Drive in Canada by USA Today 10Best**. The panoramic views are spectacular!

Golfers will never forget a day at the Stanley Thompson—designed Cape Breton Highlands Links, consistently ranked as one of the ten best golf courses in Canada. For a different perspective, take a guided kayak tour with Cabot Trail Adventures along the highlands of Northern Cape Breton. One of the most spectacular paddling destinations in North America, this remote and rugged coast offers imposing cliffs of ancient bedrock, which feature waterfalls, sea caves, and towering arches.

Some of the best hiking opportunities in Nova Scotia are found in the Cape Breton Highlands National Park, previously **voted Best National Park in Canada by USA Today 10Best**, with 26 trails for all interests and abilities. For a truly spectacular sunset view, take part in the Skyline Trail Sunset

Keltic Lodge, Ingonish Beach

Hike. This guided hike leads you to the top of a mountain headland, overlooking the ocean as the sun slowly dips into the horizon. The beauty of the highlands inspires many artisans living around the Cabot Trail. Stop in to watch them create their art, or try one of the hands-on workshops such as glass blowing at Glass Artisans Studio & Gallery.

The Cabot Trail's natural beauty is only outdone by the area's unique culture and unrivalled hospitality. You'll feel like a local after attending a ceilidh and hearing some of Cape Breton's finest musicians. Be sure to wear your dancing shoes, because you'll be up learning how to step or square dance with new friends in no time. By the end of your stay, you may even know a few words of the Gaelic language.

Plan to spend at least three to five days along the Cabot Trail, where you'll discover how Nova Scotia, or "New Scotland," got its name.

Discover the rooftop patio and relax in the Red Chairs overlooking the sparkling waters of Baddeck Bay. Learn, play, and get inspired!

Outdoor adventures

The Cabot Trail is a nature-lover's paradise, so get out and enjoy all it has to offer for explorers of every fitness level.

Cape Breton Highlands National Park

Set against a backdrop of coastal highlands, a visit to Cape Breton Island is not complete without exploring this epic national park. For families looking to share memories around a campfire, or experienced adventurers seeking their next challenge, there are endless opportunities for exploration. Offering 26 hiking trails, camping for all experience levels, including oTENTiks, relaxing beaches, scenic look-offs, wildlife viewing, hidden waterfalls, and more. Hit the Cabot Trail and set off on your next great outdoor adventure!

Salmon fishing on the Margaree River

For generations, anglers have been lured to the Margaree's tumbling rapids, deep pools, and still marshes. This popularity has attracted the TV show *The New Fly Fisher*, which chose the Margaree River as its first Nova Scotia location. Arrange a fishing guide to help you try your luck.

Kayaking off Northern Cape Breton

One of the most spectacular paddling destinations in North America, this remote and rugged coast offers magnificent cliffs, sea caves, unique rock formations, and the occasional whale passerby. The challenging nature of this environment is only suited for experienced paddlers, and a guided tour is recommended. [Click here for a list of tour operators.](#)

Helicopter tour of the Highlands

Join Breton Air for an incredible bird's eye view of the Cape Breton Highlands, Cape Smokey, Keltic Lodge and Ingonish. You will be wowed by this helicopter tour as you take in the scenery below from your window seat. This is truly a bucket list experience!

Fly fishing on the Margaree River

Whale watching

Pods of Atlantic pilot whales spend their summers gorging on squid just off the shores of Pleasant Bay and Chéticamp. Book a Zodiac tour to meet and view these highly social sea creatures, which are sometimes as intrigued by you as you are by them. Along with many species of whales, chances are you'll see porpoises, seals, and seabirds while out on the open water. The best times to see whales are in the summer and fall months. [Click here for a list of tour operators.](#) Don't miss stopping into the Whale Interpretive Centre in Pleasant Bay with knowledgeable interpreters and interactive exhibits.

Puffin-viewing boat tour

These cute, stocky seabirds summer in large colonies on coastal cliffs and rocky offshore islands before making their way south in the fall. Due to the remoteness of their nesting areas, a boat tour to sites like the Bird Islands—Hertford and Ciboux—is the best way to view them.

Cape Smokey

Pay a visit to this four-season adventure centre. Take in the views as you ride Atlantic Canada's first gondola to the top of Cape Smokey; also a spectacular way to view the fall foliage. During the winter months ski, snowboard, cross-country ski or snowshoe; in summer enjoy paddleboard and kayak rentals, hikes and ice cream from the Summit Shack at the top of the mountain.

Acadian Trail

Mkwesagtuk / Cap-Rouge Campground

Ingonish Beach, Cape Breton Highlands National Park

Cycling the Cabot Trail

Named one of the top ten cycling destinations in the world by *Lonely Planet*, the Cabot Trail is a must-do on every cycling enthusiast's itinerary. The nearly 300 kilometres of paved roads take you along rolling terrain and up steep hills, all with a view of the open ocean. There are several tour packages available to help you make the most of this epic excursion, like those with Cabot Trail Adventures. If you prefer an independent adventure, head to Vélo Max Cycling in Chéticamp to rent a bike and pick up cycling supplies before hitting the hills. Visit cyclenovascotia.ca to download route maps and GPS coordinates.

Tube the Margaree River

Take a break and relax on the world-famous Margaree River with Live Life in Tents. Let the currents carry you downstream as you dip your toes in the river. Keep your eyes peeled for salmon, bald eagles, and the occasional otter.

Highland Bow & Arrow, Wreck Cove

This roadside archery attraction on the Cabot Trail in Skir Dhu, near Wreck Cove, focuses on traditional archery, providing a variety of recurve and longbow choices to try. Bows range according to age and ability.

Sail the Bras d'Or Lake Biosphere Reserve

While visiting the lakeside community of Baddeck, set sail with Sailing CBI to explore the Bras d'Or Lake. This large inland sea is part fresh- and part saltwater, allowing it to sustain diverse ecosystems and wildlife, including many bald eagles. The gentle fog-free waters, beautiful anchorages, and hundreds of coves and islands make the Bras d'Or Lake the perfect sailing destination.

BRAS D'OR LAKE

Bras d'Or Lake

NovaScotia.com

Eskasoni Cultural Journeys

Discover the Island's inland sea

Stunning scenery is a fact of life in Nova Scotia, and that is especially true in the Bras d'Or Lake region. Literally translated as "Arm of Gold," the name surely was inspired by the sunsets over Canada's only inland sea. With a complex sequence of barrier beaches, rocky headlands, barachois ponds, and wetlands, it is no surprise that the area is a designated UNESCO Biosphere Reserve.

Here, you can connect with vibrant Mi'kmaw and Gaelic cultures. Experience Eskasoni Cultural Journeys on Goat Island to hear local stories, songs, and drumming, while learning about Mi'kmaw ways of life past and present. Immerse yourself in Gaelic culture at the Highland Village Museum | Baile nan Gàidheal and experience North America's only living history museum for Gaelic language and culture. Tour the historic buildings and award-winning exhibits in the new Welcome Centre, try hands-on activities, and be sure to stop by the Village Store for Gaelic-inspired gifts, baked goods or a takeaway charcuterie box to enjoy on your adventures.

Pick up some picnic supplies and visit the St. Peter's Canal National Historic Site, where you will learn how the canal has provided a link between the Atlantic Ocean and the Bras d'Or Lake for over 140 years.

Ceilidh at Highland Village

Outdoor adventures

The Bras d'Or Lake region offers outdoor enthusiasts an array of adventures for every age.

Step aboard the Puffin Express

Bird Island Boat Tours

Just off the coast of Big Bras d'Or, the dramatic Bird Islands rise from the sea like rocky pillars. Take a tour with Bird Island Boat Tours to see thousands of nesting sea birds, including razorbills, kittiwakes, and over 300 pairs of Atlantic puffins.

Golf lakeside

The incredible lake views will inspire you to play your best 18 holes on our acclaimed courses. Choose from Dundee Resort & Golf Club or The Lakes Golf Club.

Cruise the lake

Known for gentle, fog-free waters, beautiful anchorages, and hundreds of coves and islands, the Bras d'Or Lake is also part of the UNESCO Biosphere Reserve. Take a sailing cruise of the lake with Cape Breton Sailing Charters, Amoeba Tours, or Richmond Adventure Planning. Keep an eye out for bald eagles, cormorants, and herons. You can also brush up on your sailing skills or take an introductory lesson.

Canal Landing Sweet Grass Excursion

Discover how the Mi'kmaq harvest sweet grass on a two-hour guided excursion with your local expert. Sweet grass, a culturally significant plant, is used by the Mi'kmaq for traditional ceremonies, crafting and cleansing of the mind, spirit, body, and soul. Hike along a moderate trail as you explore nature, visit historic landmarks, and enjoy the beautiful aroma of sweet grass.

Not-to-be-missed experiences

There’s history, culture, and beauty waiting to be discovered. The following offers you the definitive Bras d’Or Lake experience.

Vineyard on the hill

Marble Mountain Estates, River Denys

Marble Mountain Estates is the first and only estate winery on Cape Breton Island. Enjoy the view from its location perched upon Marble Mountain overlooking the Bras d’Or Lake. Stop in to sample and purchase some wine, or ask for a glass at local restaurants.

Learn a story

Wagmatcook Culture & Heritage Centre

Experience the music, storytelling, nature, food, language, and spirituality of Nova Scotia’s first people, the Mi’kmaq, in a beautiful setting on the shores of the sparkling Bras d’Or Lake.

GRÁ Sustainable Farm

Translated from Gaelic, GRÁ means “love”. This 150-acre sustainable farm located on the Bras d’Or Lake grows produce, herbs, flowers, and animals using farming techniques that protect the environment and foster the development of healthy living. Dine on food grown just a few feet away, prepared using traditional cooking techniques with an emphasis on seasonality, freshness and a menu that accommodates what is harvested from the garden and surrounding area on a daily basis.

Discover the Bras d’Or Lake UNESCO Biosphere

Experience the Bras d’Or Lake UNESCO Biosphere up close and hands-on at the Àros na Mara Centre of Learning and Discovery. Interact with a touch tank and gain a snapshot of the unique ecosystem of the biosphere.

Taste local craft beer

Big Spruce Brewing, Nyanza

Using certified organic hops grown on their farm, Big Spruce Brewing crafts microbrews with fun names like Cereal Killer Oatmeal Stout and Kitchen Party Pale Ale. Choose your pint while relaxing in their tasting room, overlooking the Bras d’Or Lake.

Stroll through a Gaelic village

Baile nan Gàidheal | Highland Village Museum, Iona

Fàilte! Costumed interpreters greet you in Gaelic at this 43-acre living history museum and share the stories of their ancestors while you tour the 11 historic buildings. Enjoy songs, stories and music of Nova Scotia’s Gaelic-speaking people at traditional ceilidhs. For an immersive encounter check out the Living History Program where you dress in period attire and experience what life was like for our Gaelic ancestors. (Note: space is limited). Perched upon Cape Breton hills, overlooking the Bras d’Or Lake, the sunsets viewed from this historic village are not to be missed.

Unexpected discoveries

Eskasoni Cultural Journeys, Eskasoni First Nation

Take in this Indigenous cultural experience on Goat Island, part of Eskasoni First Nation, the largest Mi’kmaq community in the world. Experience Goat Island with a guided tour where you take part in a smudging ceremony, learn basketry, traditional dance, and hunting and fishing techniques, enjoy drumming and singing and a traditional snack of luskinigan and tea. Join an interpreter on a Medicine Walk Tour learning about age-old medicinal remedies or embark on a guided kayak tour. Self-guided tours are also available.

A man and a woman are walking hand-in-hand on a grassy path towards the Louisbourg Lighthouse. The woman is wearing a red shirt and white shorts, and the man is wearing a white long-sleeved shirt and dark pants. The lighthouse is a tall, white, cylindrical structure with a red lantern room on top. The scene is set on a rocky, grassy hillside under a bright sky.

FLEUR-DE-LIS & MARCONI TRAILS

Louisbourg Lighthouse

Living history and a lively port city

The Fleur-de-lis Trail begins at the Canso Causeway and winds its way along the southeastern part of Cape Breton Island, where Acadian fishing villages dot the coast, hugged by untouched wilderness.

From the Fleur-de-lis Trail, continue onto the Marconi Trail, where a storied past will immerse you in its rich history. Enter the largest reconstructed fortified town in North America, the 18th-century French Fortress of Louisbourg National Historic Site which offers a peek into the daily lives of the costumed interpreters' personas. Descend into a coal mine with a retired coal miner at the Miners Museum in Glace Bay. At the Marconi National Historic Site, learn how the first wireless message transmitted across the Atlantic led to today's network of global communications.

Music is a vital part of life in this region. Feel the excitement at the award-winning Celtic Colours International Festival each fall. This nine-day Celtic music extravaganza brings the whole island alive with music and energy. Take in one of the shows at the Louisbourg Playhouse, a theatre-in-the-round performance venue inspired by London's 1599 Globe Theatre, or the Highland Arts Theatre in Sydney.

At the port city of Sydney, enjoy a stroll along the waterfront boardwalk. Take a selfie with the giant fiddle standing 18 metres (60 feet) tall, and savour the flavours of fresh, chef-prepared dishes inspired by the sea at one of the local restaurants overlooking Sydney Harbour. Check out the downtown shops along Charlotte Street, and don't miss the collection of locally made one-of-a-kind masterpieces at the Cape Breton Centre for Craft and Design.

LeNoir Forge Museum, Arichat

Savoy Theatre, Glace Bay, and Highland Arts Theatre (HAT), Sydney

EASTERN SHORE

Eastern Shore

NovaScotia.com

Taylor Head Provincial Park

An outdoor enthusiast's paradise

Stretching from the Halifax area to Cape Breton Island, Nova Scotia's Eastern Shore is a place where historically themed attractions, pristine wilderness, comforting cuisine, and expansive beaches come together to create a scenic seaside getaway.

The 100 Wild Islands are a group of over 280 wild islands, between Clam Harbour Beach Provincial Park and Taylor Head Provincial Park. Noted for their historical and ecological significance, most of these islands are now protected in perpetuity. Featured in *Canadian Geographic*, these islands offer sheltered coves of turquoise water with white sand beaches, windswept headlands, and unique boreal rainforests, bogs, and barrens. A rich diversity of seabirds, songbirds, and shorebirds also call this area home. Book a kayaking trip or scenic boat tour to experience this pristine environment.

Step into Nova Scotia's past at one of the region's living-history museums—the authentic late-1800s setting of Sherbrooke Village Museum, or Memory Lane Heritage Village's depiction of the province's rural industries in the 1940s or discover Chezzetcook's Acadian heritage at Acadian House Museum.

Unexpected discoveries
