Nova Scotia fits every playlist! Whether you're in the mood to rock out on a hike or if relaxing seaside is your jam, there are plenty of amazing things to do, see, and savour while you're here. Not sure where to get started? We've broken down our greatest hits by genre to make it easy for you to start planning your perfect travel playlist.

Rock Out... door Adventure.

If you love to go all out all the time, Nova Scotia has tons of exciting activities to get that adrenaline pumping. Try **tidal bore rafting** in the highest tides on the planet on the **Bay of Fundy**. Start spinning those wheels as you bike the coastline or strap on that pack to explore more breathtaking hiking trails than there are slow jams on Spotify.

Pop Playlists & Coastal Fun.

There's a reason why Nova Scotia is known as Canada's Ocean Playground. It just has its own unique rhythm. Hear it in the waves that roll along our many beaches or out on the water on a **whale watching tour**. You hear it along bustling waterfronts where you're never more than a shell-toss away from **fine dining** and **live music**. When you're here, the fun kicks up around every corner.

Jazzy Beats & Tasty Eats.

If seafood has a hall of fame, Nova Scotia is in it. We're known world-wide for our fresh and flavourful seafood. Crack open the **tastiest lobster** or try the local mussels and scallops by the sea. Then head to the Annapolis Valley to explore **beautiful vineyards** while sipping on Tidal Bay, Nova Scotia's signature white wine appellation. More of a craft beer fan? There's no shortage of **local breweries** featuring unique brews to sample. Whatever you choose, your heart and belly will be full.

Slow Jams & Salty Sea Air.

The vibe? Chill. Because nothing helps you relax and unwind quite like spending time by the ocean. And Nova Scotia is all about the quiet, calming experiences that invite you to slow down. It's sunrise beach walks, peaceful coastal strolls, lighthouse hopping, foggy shoreline views, and time spent reading, relaxing, and lingering by the water. Take your self-care up an extra notch by booking a day at one of the province's serene **spas**. You'll be left feeling rested and recharged after your stay.

And Don't Forget the Classics.

Maybe learning is more your jam. In that case, you'll love exploring all the **museums** showcasing the province's art, history and culture. Nova Scotia is also home to **seven UNESCO Heritage Sites**, like Old Town Lunenburg and Joggins Fossil Cliffs. While you're here, you won't want to skip **Eskasoni Cultural Journeys** to discover more about **Mi'kmaw culture**. And who could forget about such favourites as the Halifax Waterfront or the scenic Cabot Trail?

No matter how you mix it, Nova Scotia has got everything you need to make your next vacation a hit. Whether you're a foodie, an intrepid explorer, or a history buff, you'll find just the right vibe here. Get ready to **plan your perfect playlist** today.

LIGHTS, CAMERA, NOVA SCOTIA:

Explore Iconic Filming Locations Across the Province

From dramatic coastlines to charming seaside towns, Nova Scotia has long been a natural star of the screen. Diverse landscapes and historic communities have set the stage for everything from Hollywood blockbusters to beloved TV series. Whether you're a film buff or just looking for your next scenic getaway, these iconic filming locations invite you to step into the story.

The South Shore: Coastal Beauty on Camera

The South Shore's fishing villages and ocean views have long captivated filmmakers.

In Shelburne, historic streets transformed into period settings for *The Scarlet Letter* and *Washington Black*. Nearby, the Black Loyalist Heritage Centre connects visitors to stories featured in *The Book of Negroes*.

The crashing waves at Peggy's Cove Lighthouse, one of Canada's most photographed landmarks, created the perfect backdrop for scenes from Hallmark's *Christmas Island*.

The village of Chester became the fictional town of Haven in the Syfy series *Haven*, while nearby Mahone Bay and its iconic three churches have appeared in multiple productions, including *Locke & Key*.

Lunenburg: A UNESCO Star

The colourful Lunenburg waterfront, a UNESCO World Heritage Site, has appeared in several movies and television shows.

Landmarks like St. John's Anglican Church appeared in *Simon Birch*, while the Fisheries Museum of the Atlantic and Salt Shaker Deli were featured in *Locke & Key*.

Just outside town, The Ovens Natural Park has been the setting for series like *We Were Liars*, *The Sinner*, and *Washington Black*, while nearby Blue Rocks appeared in *Dolores Claiborne*.

We Were Liars: Nova Scotia as Beechwood Island

Nova Scotia doubled as the luxurious Beechwood Island for *We Were Liars*.

Lunenburg stood in for Martha's Vineyard and Chester provided coastal charm for beach and mansion scenes. Waterfront spots like King's Wharf Marina in Dartmouth and the iconic white granite rocks of Peggy's Cove also appeared in numerous scenes.

Halifax: A Star in Its Own Right

As Nova Scotia's capital, Halifax has played a leading role in productions ranging from *Titanic* to fan-favourite series like *Trailer Park Boys* and *Mr. D*.

At the Maritime Museum of the Atlantic, you can explore the city's real-life connection to *Titanic*, including exhibits tied to the film and the historic tragedy.

Grab a bite at King of Donair—a local institution frequently featured in *Trailer Park Boys*.

Across the harbour, Alderney Landing and the Dartmouth waterfront served as key filming locations for *Diggstown*.

The elegant Halifax Public Gardens appeared in *Bag of Bones*, while the Nova Scotia Museum of Natural History made a cameo in *Mr. D*.

For coastal views seen in *Amelia*, head to the Northwest Arm, or explore festive filming locations like the Brewery Market and Historic Properties, featured in Hallmark's *The Secret Gift of Christmas*.

Recently, Halifax also welcomed the filming of *You're Killing Me*, standing in for the fictional town of Founders Cove. The six-episode mystery series is set to premiere in 2026.

Step Into Sullivan's Crossing

Fans of *Sullivan's Crossing* can follow in the footsteps of the show across Halifax and the South Shore.

Filming locations include scenic spots like Lawrencetown Beach, Oakfield Provincial Park, and Laurie Provincial Park.

Grab a bite at Hali Deli, featured as the show's diner, or explore coastal gems like Fisherman's Cove, where memorable scenes unfold along the waterfront.

Discover the Annapolis Valley on Screen

The picturesque Annapolis Valley has provided the backdrop for countless productions, thanks to its rolling farmland, coastal cliffs, and proximity to the Bay of Fundy.

In *The Clockmaker's Inn*, a beautifully restored Victorian mansion, scenes from the film *Lizzie Borden Took an Axe* and the Stephen King miniseries *Bag of Bones* come to life.

Discover the towering cliffs and sweeping views that were featured in the award-winning drama *Wildhood* in Blomidon Provincial Park.

History and storytelling also intersect at Grand-Pré National Historic Site, where scenes from *Cloudburst* were filmed, adding a cinematic layer to this UNESCO World Heritage landscape.

Productions like *Pure*, *The Trades*, and *The InSTITUTE* have all used Windsor's character-filled downtown as a backdrop for filming.

Plan Your Own Film-Inspired Getaway

From coastal cliffs and heritage towns to vibrant city streets, Nova Scotia offers a one-of-a-kind opportunity to step into your favourite films and shows.

Whether you're tracing the footsteps of iconic characters or simply soaking in the scenery, one thing is certain: Here, every visit feels like a scene worth capturing.

Historical escapes

History buffs can immerse themselves in the fascinating cultural, maritime, and military heritage of a town founded in 1749.

Halifax Citadel National Historic Site

Halifax's star-shaped fortress has stood watch over the city since the mid-1700s. See for yourself how the 78th Highlanders bring the historic fort to life and don't miss the firing of the Noon gun. Get suited up in an authentic uniform of the Queen's army; take part in foot drills, firearms training, and a tour of the Citadel and be sure to check out the A City Shaped by Conflict exhibit and art by Mi'kmaq artist Leonard Paul. Return to the Citadel in the evening for a ghost tour highlighting bizarre legends and stories of the fortress.

Maritime Museum of the Atlantic

Collections include over 20,000 photographs plus artifacts relating to the *Titanic* disaster. Be sure to visit the exhibit Ta'n me'j Tel'keknuo'l'tiek: How Unique We Still Are, a reflection of the deep connections to both land and waters of Mi'kma'ki that Mi'kmaq people have.

Army Museum Halifax Citadel

For over 60 years, the Army Museum Halifax Citadel has fascinated and inspired thousands of visitors from around the world. Housed in an actual military fortress, the museum tells a powerful story of Canada's soldiers.

Africville Museum: UNESCO Place of History & Memory and Park

Walk through Africville Park and take in the interpretive panels showing the history, families and daily lives of former residents of Africville.

Canadian Museum of Immigration at Pier 21

Museum of Natural History

Discover the stories and science behind Nova Scotia's natural landscape plus culturally significant artifacts and displays. Don't miss the interactive exhibit P'jilasi. Meaning "welcome" in Mi'kmaq, this immersive experience invites visitors to engage, learn and reflect on Mi'kmaq history, culture, and traditions.

SOUTH SHORE

South Shore

NovaScotia.com

Sou'Wester Restaurant at Peggy's Cove

Coastal charm, outdoor adventure, and sea-inspired artisans and cuisine

From the UNESCO World Heritage Site of Old Town Lunenburg, with its colourful working waterfront and beautiful architecture, to the inspiring views of the coast and its 40-plus lighthouses, the South Shore is much more than the home of *Bluenose II* and the must-photograph Peggy's Cove. It is a place where you can imagine a time when tall ships filled the harbours and experience the area's seafaring heritage first-hand.

Watch how pewter designs become keepsakes before crafting a piece yourself at Amos Pewter in Mahone Bay, Atlantic Canada's only Pewter Economuseum. At Kejimikujik National Park and National Historic Site, discover Mi'kmaw petroglyphs etched in rock, with the help of an interpreter, and experience stunning stargazing in the Dark Sky Preserve.

Culinary delights abound here, and fresh seafood is the cornerstone of many delectable dining experiences, like the famed Shore Club Lobster Suppers in Hubbards, famous for great live music and serving more than a million lobster suppers over the past 90 years. Delicious seafood is never far away!

YARMOUTH & ACADIAN SHORES

Where the stars align

There's a bit of magic in Yarmouth & Acadian Shores. It's quiet and peaceful, yet full of adventure. This is where the land meets the sea.

And where the darkest skies let the stars shine their brightest. It's where the food is fresh and local, and the music is too. It's where everything comes together. It's where the stars align.

This region is part of North America's first starlight destination—Acadian Skies and Mi'kmaq Lands—as designated by the International Starlight Foundation. Here you can discover dark skies like nowhere else, with brilliant stars from distant galaxies shining against the night sky. Enjoy a guided tour of the night sky at Deep Sky Eye Observatory, complete with onsite sky bubble accommodations. Or head to the world's first certified Starlight Hotel, Trout Point Lodge, for a luxury wilderness escape with gourmet dining and guided outdoor adventures.

Located within the UNESCO Southwest Nova Biosphere Region, this region offers scenic coastal drives, quaint fishing villages, and untouched landscapes. This is where you can begin your Nova Scotia experience, exploring nature and culture.

Traditions, music, and food have been more than preserved here—they flourish. Immerse yourself in Acadian culture at Le Village historique acadien de la Nouvelle-Écosse, a picturesque living history museum with costumed interpreters and onsite cafe. Be sure to try traditional Acadian dishes like fricot and rappie pie.

In downtown Yarmouth, stroll the Heritage District to see colourful murals and unique Victorian homes.

Experience the vibrant culture and joie-de-vivre this region has to offer!

Outdoor adventures

The Yarmouth & Acadian Shores region offers intrepid explorers an exciting array of off-the-beaten-path experiences for every fitness level.

Seaside walking trails await, Cape Forchu Lighthouse

Pedal your way here—a gentle, rolling ride, only 10 kilometres from Yarmouth.

Le Petit Bois Interpretive Trail, Church Point

Take a self-guided or guided interpretive walk to discover the Acadian history and natural beauty of the region. Observe local wildlife and unique plants, and learn about duck and owl habitats. Bucket-list cycling, Gran Fondo Baie Sainte-Marie

Ride in the largest cycling event east of Quebec! Experience true Acadian hospitality with local music along the panoramic coast of St. Mary’s Bay, as you navigate inland and coastal roads. And after all that, fresh lobster and live music are your rewards. There are five rides for all skill levels, from 35 to 161 kilometres. The 2026 event will occur on September 12–13.

Sandford Drawbridge

Stop by the Sandford Wharf and check out the smallest operating drawbridge in the world. You can walk over the bridge and get a nice vantage point of the wharf, fishing boats and surrounding waters. Be sure to snap a photo of yourself atop this unique structure.

Two spectacular outdoor sites within a 5-minute drive! Mavillette is home to a breathtaking 1.5-kilometre sandy beach, backed by fragile marram grass-covered dunes protected by boardwalks. NORTHUMBERLAND SHORE

Melmerby Beach Provincial Park

Northumberland Shore

NovaScotia.com

Experience warm-water beaches, charming towns and fab foodie finds

With more warm-water ocean beaches than anywhere else in Canada, this shore is Beach Country. There is always room for your beach towel, so don your swimsuit and sun hat and head out to Bayfield, Blue Sea, Caribou-Munroes Island, Heather, Melmerby, Northport, Pomquet, Rushtons, or Waterside Beach where the sparkling salt water averages more than 22°C (72°F) in the summer. Local producers of wine, spirits, craft beer, chocolate, and seafood are also dotted along this coastline, making for perfect pit stops as you beach hop.

But there is more along this quaint shoreline than beaches. This region is a burgeoning culinary destination with choices ranging from Atlantic Canada's first sustainable seafood restaurant at the 5-star Fox Harb'r Resort to handmade Appleton Chocolates. Farmers' markets can be found in Amherst, Pugwash, Tatamagouche, New Glasgow, and Antigonish, where just-harvested fruits and vegetables abound alongside one-of-a-kind handcrafted pieces by local artisans. Visit the GINstitute at Steinhart Distillery to craft your own gin, or Peace by Chocolate in Antigonish for a sweet treat.

Coastal accommodations are plentiful here, from cozy seaside cottages to campgrounds overlooking the Northumberland Strait. For a peek into this region's past, look no further than the Hector Heritage Quay in Pictou, the "Birthplace of New Scotland."

In New Glasgow, visit Viola's Way to learn the powerful story of Viola Desmond who stood up to racial inequality and became a Canadian civil rights leader.

Cabot Trail

CAPE BRETON ISLAND

Welcome to Cape Breton Island

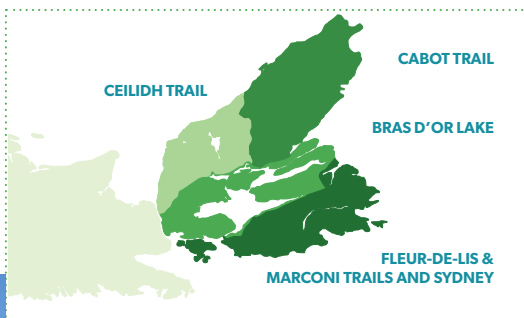

Words of welcome have long been offered to visitors as they cross the Canso Causeway to Cape Breton, ready to explore a region where history lives and breathes.

Step into the life of a French settler at the Fortress of Louisbourg National Historic Site, North America's largest historical reconstruction; take a White Glove Tour of the Alexander Graham Bell National Historic Site and get a behind-the-scenes glimpse into Bell's life; hear Mi'kmaw stories and music while on an Eskasoni Cultural Journey; discover Chéticamp's Acadian history and world-famous hooked rugs at Les Trois Pignons Museum; visit Baile nan Gàidheal | Highland Village, an outdoor living history museum and Gaelic folklife centre that illustrates the story, culture and identity of Nova Scotia Gaels; or tap your toes to the Celtic tunes and try your hand at playing the fiddle at the Celtic Music Interpretive Centre. Tales of Cape Breton's past continue to influence its future with countless opportunities for you to become immersed in the Island's stories.

Breathe in the fresh air as you venture outside to take in a hike along the Skyline Trail in Cape Breton Highlands National Park, recently voted the Best National Park in

Canada by *USA Today 10Best*—the spectacular cliffside ocean vista is a reward for the senses. Play a round at Cabot Cliffs or Cabot Links, named #13 and #25 respectively on *Golf Digest's* World's 100 Greatest Golf Courses for 2024 and #1 and #6 respectively on *Golf Digest's* Best Courses in Canada for 2024. Stretch your legs with a bike ride or hike along the Celtic Shores Coastal Trail. Take a bike, car, or motorcycle tour of the world-renowned Cabot Trail, recently voted Best Scenic Drive in Canada by *USA Today 10Best*, with its dramatic coastal views and highland scenery.

From history and culture to music, seafood, outdoor adventures, talented artisans, and friendly locals, a new discovery awaits around every corner of Cape Breton Island, recently named the #1 Island in the Americas by *Condé Nast Traveler*, and #1 Best Island in Canada by *Travel + Leisure*.

CEILIDH TRAIL

Ceilidh Trail

NovaScotia.com

Lawrence's Beach, Port Hood

Gaelic culture at its best

“Ceilidh” (*kay-lee*) is Gaelic for “gathering,” and a journey along the Ceilidh Trail (Route 19) by vehicle, or the Celtic Shores Coastal Trail by bike, offers an opportunity to experience the true meaning of the word. Both routes run parallel to the ocean and connect the communities and attractions along the way.

Meet the locals by stopping into the Celtic Music Interpretive Centre or The Red Shoe Pub for some live music and dancing, and enjoy a delicious meal at The Clove Hitch Bar & Bistro overlooking the ocean in Port Hood. Say hello to artist Ann Schroeder and peruse her beautiful hand-painted quilts and silk scarves. A trip to Mabou wouldn't be complete without a stop at the Mabou Farmers' Market. Over 40 vendors offer delicious local food and produce, beautiful jewellery and art, and of course, live music on Sunday mornings. For the golfer in your group head to Inverness and play a round at the world-renowned Cabot Cliffs or Cabot Links, named #13 and #25 respectively on *Golf Digest's* World's 100 Greatest Golf Courses for 2024, #1 and #6 respectively on *Golf Digest's* Best Courses in Canada for 2024, and #1 and #3 respectively on *SCOREGolf's* Top 100 for 2024.

Gaelic, Acadian, and Mi'kmaq people have strong roots in this area. Nowhere is this more evident than at the Strathspey Performing Arts Centre, a state-of-the-art performance facility where the music, dance, and folklore of these cultures are celebrated.

History, culture, and beautiful natural landscapes are combined here, offering up an unforgettable visit along Cape Breton's rugged coast.

Unexpected discoveries

Galloping Cows Fine Foods, Port Hood

This culinary treasure offers hand-crafted preserves that were featured in gift baskets at the Golden Globes, the Oscars, and the Toronto International Film Festival. Create your own gift basket of favourites, such as blueberry-rhubarb jam and brandy cranberry marmalade.

Glenora Distillery, Glenville

North America's first distiller of single-malt whisky is cradled in a glen in the picturesque Mabou Highlands. Enjoy a tour of the distillery, followed by a taste of Glen Breton Rare whisky—the closest to authentic Scotch outside of Scotland. Don't forget your dancing shoes, The Glenora Pub has traditional ceilidhs twice a day. Make it an overnight stay and book a room in the inn, lodge or a chalet on site. The surrounding foliage is especially beautiful during the fall.

Route 19 Brewing, Inverness

Enjoy a brew with a view! Located near world-renowned Cabot Links and Cabot Cliffs Golf Courses, this three-level facility, which includes a restaurant and tap room, is the ideal spot for a refreshing sampler after your round or a day at the beach, or for catching a sunset.

Not-to-be-missed experiences

This area is rich in history, culture, and natural beauty. The following suggestions offer you the quintessential Ceilidh Trail experience.

Tune in to Cape Breton music

Celtic Music Interpretive Centre, Judique

Take an interactive journey through samples of song, stories, dance, and bagpipe and fiddle music. Interpretive media displays let you try your hand at a fiddle tune or learn how to step-dance.

Take in a cultural performance

Strathspey Performing Arts Centre, Mabou

At this state-of-the-art performing arts centre, Cape Breton's rich diversified culture is celebrated through Celtic music and the folklore, dance, and music of the Acadian and Mi'kmaq communities.

Live music with your meal

Red Shoe Pub, Mabou

Co-owned by world-renowned singers, the Rankin sisters, visit this iconic pub for a delicious, hearty meal and for toe-tapping live music, seven days a week. The pub is located nearby the Celtic Shores Coastal Trail.

Outdoor adventures

Whether you're cycling our oceanside Celtic Shores Coastal Trail or discovering the communities and sandy beaches nestled among the rolling hills, the natural environment of this region is best seen at a slower pace. Park your car and check out these gems.

Golf at Canada's only authentic links courses

Cabot Links and Cabot Cliffs golf courses at Cabot Cape Breton, Inverness

Cabot Cliffs was designed by Bill Coore and two-time Masters champion Ben Crenshaw and was ranked as the #1 on SCOREGolf's Top 100 in 2024, #13 of the World's 100 Greatest Golf Courses by *Golf Digest* in 2024 and ranked #1 and *Golf Digest*'s Best Courses in Canada for 2024. Referred to as the "Pebble Beach of Canada" by *Links Magazine*, the course, set along the picturesque rugged seaside cliffs of western Cape Breton, features an unusual configuration of six par-threes, six par-fours and six par-fives. Nearby Cabot Links, with golf greens sculpted around sand dunes and ocean views offered at each of the 18 holes, is the recipient of continuous accolades, including SCOREGolf's ranking of #3 on their Top 100 in 2024. Enjoy fine dining at Panorama or casual pub fare at Whit's Public House after your round. Also, be sure to check out The Nest, a 10-hole par 3 course offering up some of the best views on the property.

Cycle the Celtic Shores Coastal Trail

Various entry points between Port Hastings, Troy, and Inverness

This 92-kilometre multi-use trail winds through the communities of Judique, Port Hood, Mabou, and Inverness. Along the way, you'll find active fishing harbours, beaches, exhilarating views, museums, restaurants, and accommodations. Include the trail in a multi-day cycling or trekking itinerary, or stop for an hour or two to take in the natural beauty of this area.

Walk and swim at Inverness Beach

Explore the 1.5 kilometres of soft sand or a refreshing saltwater swim in the warm waters. This beach is supervised throughout the summer and features sand chairs and mats, allowing those with mobility challenges safe access to the water. Afterwards, enjoy an ice cream cone on the boardwalk through the sand dunes.

CEILDH TRAIL LISTINGS

Communities are listed in order as found when travelling through the region on the Scenic Travelway roads.

Cabot Trail

Hike, golf and dance the Highlands

“I have travelled the globe. I have seen the Canadian and American Rockies, the Andes and the Alps and the highlands of Scotland, but for simple beauty, Cape Breton outrivals them all.”

—Alexander Graham Bell

The natural beauty of the highlands provides the perfect backdrop for outdoor activities such as golfing, kayaking, hiking, cycling, fishing, bird-watching, skiing, and snowmobiling. And don't forget the drive—the Cabot Trail was previously **voted Best Scenic Drive in Canada by USA Today 10Best**. The panoramic views are spectacular!

Golfers will never forget a day at the Stanley Thompson—designed Cape Breton Highlands Links, consistently ranked as one of the ten best golf courses in Canada. For a different perspective, take a guided kayak tour with Cabot Trail Adventures along the highlands of Northern Cape Breton. One of the most spectacular paddling destinations in North America, this remote and rugged coast offers imposing cliffs of ancient bedrock, which feature waterfalls, sea caves, and towering arches.

Some of the best hiking opportunities in Nova Scotia are found in the Cape Breton Highlands National Park, previously **voted Best National Park in Canada by USA Today 10Best**, with 26 trails for all interests and abilities. For a truly spectacular sunset view, take part in the Skyline Trail Sunset

Keltic Lodge, Ingonish Beach

Hike. This guided hike leads you to the top of a mountain headland, overlooking the ocean as the sun slowly dips into the horizon. The beauty of the highlands inspires many artisans living around the Cabot Trail. Stop in to watch them create their art, or try one of the hands-on workshops such as glass blowing at Glass Artisans Studio & Gallery.

The Cabot Trail's natural beauty is only outdone by the area's unique culture and unrivalled hospitality. You'll feel like a local after attending a ceilidh and hearing some of Cape Breton's finest musicians. Be sure to wear your dancing shoes, because you'll be up learning how to step or square dance with new friends in no time. By the end of your stay, you may even know a few words of the Gaelic language.

Plan to spend at least three to five days along the Cabot Trail, where you'll discover how Nova Scotia, or "New Scotland," got its name.

Not-to-be-missed experiences

There are many special hands-on activities along the nearly 300 kilometres of the world-famous Cabot Trail. These suggestions will ensure that you miss nothing along the way.

First flights, kites, and telephones

Alexander Graham Bell National Historic Site, Baddeck

Explore the life and work of this great teacher, scientist, and inventor. See full-scale replicas of Bell's Silver Dart, the first powered flight in Canada, and the HD-4, the world's fastest watercraft in 1919. Children (and the young at heart!) can let their imaginations take flight with the popular kite programs. Discover the rooftop patio and relax in the Red Chairs overlooking the sparkling waters of Baddeck Bay. Learn, play, and get inspired!

Delve into la vie acadienne

Les Trois Pignons, Chéticamp

Chéticamp's Acadian history and culture come alive through its world-famous hooked rugs and antiques. The site also offers a genealogy resource centre, a library, and a full range of visitor information services.

Kayak around St. Ann's Bay

Dipping your paddle alongside seals and seabirds, surrounded by our coastal cliffs, with North River Kayak Tours. Take a half or full day guided tour of the waters around Baddeck. Look out for marine life, seabirds, lobster fishers, and enjoy a snack on a small secluded beach.

Outdoor adventures

The Cabot Trail is a nature-lover's paradise, so get out and enjoy all it has to offer for explorers of every fitness level.

Cape Breton Highlands National Park

Set against a backdrop of coastal highlands, a visit to Cape Breton Island is not complete without exploring this epic national park. For families looking to share memories around a campfire, or experienced adventurers seeking their next challenge, there are endless opportunities for exploration. Offering 26 hiking trails, camping for all experience levels, including oTENTiks, relaxing beaches, scenic look-offs, wildlife viewing, hidden waterfalls, and more. Hit the Cabot Trail and set off on your next great outdoor adventure!

Salmon fishing on the Margaree River

For generations, anglers have been lured to the Margaree's tumbling rapids, deep pools, and still marshes. This popularity has attracted the TV show *The New Fly Fisher*, which chose the Margaree River as its first Nova Scotia location. Arrange a fishing guide to help you try your luck.

Kayaking off Northern Cape Breton

One of the most spectacular paddling destinations in North America, this remote and rugged coast offers magnificent cliffs, sea caves, unique rock formations, and the occasional whale passerby. The challenging nature of this environment is only suited for experienced paddlers, and a guided tour is recommended.

Whale watching

Pods of Atlantic pilot whales spend their summers gorging on squid just off the shores of Pleasant Bay and Chéticamp. Book a Zodiac tour to view these highly social sea creatures, which are sometimes as intrigued by you as you are by them. Along with many species of whales, chances are you'll see porpoises, seals, and seabirds while out on the open water. The best times to see whales are in the summer and fall months. Don't miss stopping into the Whale Interpretive Centre in Pleasant Bay with knowledgeable interpreters and interactive exhibits.

Puffin-viewing boat tour

These cute, stocky seabirds summer in large colonies on coastal cliffs and rocky offshore islands before making their way south in the fall. Due to the remoteness of their nesting areas, a boat tour to sites like the Bird Islands—Hertford and Ciboux—is the best way to view them.

Cape Smokey

Pay a visit to this four-season adventure centre. Take in the views as you ride Atlantic Canada's first gondola to the top of Cape Smokey; also a spectacular way to view the fall foliage. During the winter months ski, snowboard, cross-country ski or snowshoe; in summer enjoy paddleboard and kayak rentals, hikes and ice cream from the Summit Shack at the top of the mountain.

Skyline Trail Parking Reservations

From June 26–October 25, 2026 parking reservations are required at Skyline Trail in Cape Breton Highlands National Park. Visit www.parks.canada.ca/pn-np/ns/cbreton for more information.

Cycling the Cabot Trail

Named one of the top ten cycling destinations in the world by *Lonely Planet*, the Cabot Trail is a must-do on every cycling enthusiast's itinerary. The nearly 300 kilometres of paved roads take you along rolling terrain and up steep hills, all with a view of the open ocean. There are several tour packages available to help you make the most of this epic excursion, like those with Cabot Trail Adventures. If you prefer an independent adventure, head to Vélo Max Cycling in Chéticamp to rent a bike and pick up cycling supplies before hitting the hills. Visit cyclenovascotia.ca to download route maps and GPS coordinates.

Tube the Margaree River

Take a break and relax on the world-famous Margaree River with Live Life in Tents. Let the currents carry you downstream as you dip your toes in the river. Keep your eyes peeled for salmon, bald eagles, and the occasional otter.

Highland Bow & Arrow, Wreck Cove

This roadside archery attraction on the Cabot Trail in Skir Dhu, near Wreck Cove, focuses on traditional archery, providing a variety of recurve and longbow choices to try. Bows range according to age and ability.

Sail the Bras d'Or Lake Biosphere Region

While visiting the lakeside community of Baddeck, set sail with Sailing CBI to explore the Bras d'Or Lake. This large inland sea is part fresh- and part saltwater, allowing it to sustain diverse ecosystems and wildlife, including many bald eagles. The gentle fog-free waters, beautiful anchorages, and hundreds of coves and islands make the Bras d'Or Lake the perfect sailing destination.

BRAS D'OR LAKE

Discover the Island's inland sea

Stunning scenery is a fact of life in Nova Scotia, and that is especially true in the Bras d'Or Lake region. Literally translated as "Arm of Gold," the name surely was inspired by the sunsets over Canada's only inland sea. With a complex sequence of barrier beaches, rocky headlands, barachois ponds, and wetlands, it is no surprise that the area is a designated UNESCO Biosphere Region.

Here, you can connect with vibrant Mi'kmaq and Gaelic cultures. Experience Eskasoni Cultural Journeys on Goat Island to hear local stories, songs, and drumming, while learning about Mi'kmaq ways of life past and present. Immerse yourself in Gaelic culture at the Highland Village Museum | Baile nan Gàidheal and experience North America's only living history museum for Gaelic language and culture. Tour the historic buildings and award-winning exhibits in the new Welcome Centre, try hands-on activities, and be sure to stop by the Village Store for Gaelic-inspired gifts, baked goods or a takeaway charcuterie box to enjoy on your adventures.

Pick up picnic supplies and visit the St. Peter's Canal National Historic Site, where you will learn how the canal has provided a link between the Atlantic Ocean and the Bras d'Or Lake for over 140 years.

Outdoor adventures

The Bras d'Or Lake region offers outdoor enthusiasts an array of adventures for every age.

Step aboard the Puffin Express

Bird Island Boat Tours

Just off the coast of Big Bras d'Or, the dramatic Bird Islands rise from the sea like rocky pillars. Take a tour with Bird Island Boat Tours to see thousands of nesting sea birds, including razorbills, kittiwakes, and over 300 pairs of Atlantic puffins.

Golf lakeside

The incredible lake views will inspire you to play your best 18 holes on our acclaimed courses. Choose from Dundee Resort & Golf Club or The Lakes Golf Club.

Cruise the lake

Known for gentle, fog-free waters, beautiful anchorages, and hundreds of coves and islands, the Bras d'Or Lake is also part of the UNESCO Biosphere Region. Take a sailing cruise of the lake with Cape Breton Sailing Charters, or Amoeba Tours. Keep an eye out for bald eagles, cormorants, and herons. You can also brush up on your sailing skills or take an introductory lesson.

Canal Landing Sweet Grass Excursion

Discover how the Mi'kmaq harvest sweet grass on a two-hour guided excursion with your local expert. Sweet grass, a culturally significant plant, is used by the Mi'kmaq for traditional ceremonies, crafting and cleansing of the mind, spirit, body, and soul. Hike along a moderate trail as you explore nature, visit historic landmarks, and enjoy the beautiful aroma of sweet grass.

Not-to-be-missed experiences

There's history, culture, and beauty waiting to be discovered. The following offers you the definitive Bras d'Or Lake experience.

Vineyard on the hill

Marble Mountain Estates, River Denys

Marble Mountain Estates is the first and only estate winery on Cape Breton Island. Enjoy the view from its location perched upon Marble Mountain overlooking the Bras d'Or Lake. Stop in to sample and purchase some wine, or ask for a glass at local restaurants.

Learn a story

Wagmatcook Culture & Heritage Centre

Experience the music, storytelling, nature, food, language, and spirituality of Nova Scotia's first people, the Mi'kmaq, in a beautiful setting on the shores of the sparkling Bras d'Or Lake.

GRÁ Sustainable Farm

Translated from Gaelic, GRÁ means "love". This 150-acre sustainable farm located on the Bras d'Or Lake grows produce, herbs, flowers, and animals using farming techniques that protect the environment and foster the development of healthy living. Dine on food grown just a few feet away, prepared using traditional cooking techniques with an emphasis on seasonality, freshness and a menu that accommodates what is harvested from the garden and surrounding area on a daily basis.

Unexpected discoveries

Eskasoni Cultural Journeys, Eskasoni First Nation

Take in this Indigenous cultural experience on Goat Island, part of Eskasoni First Nation, the largest Mi'kmaq community in the world. Experience Goat Island with a guided tour where you take part in a smudging ceremony, learn basketry, traditional dance, and hunting and fishing techniques, enjoy drumming and singing and a traditional snack of luskinigan and tea. Join an interpreter on a Medicine Walk Tour learning about age-old medicinal remedies or embark on a guided kayak tour. Self-guided tours are also available.

Discover the Bras d'Or Lake UNESCO Biosphere

Experience the Bras d'Or Lake UNESCO Biosphere up close and hands-on at the Àros na Mara Centre of Learning and Discovery. Interact with a touch tank and gain a snapshot of the unique ecosystem of the biosphere.

Taste local craft beer

Big Spruce Brewing, Nyanza

Using certified organic hops grown on their farm, Big Spruce Brewing crafts microbrews with fun names like Cereal Killer Oatmeal Stout and Kitchen Party Pale Ale. Choose your pint while relaxing in their tasting room, overlooking the Bras d'Or Lake.

Stroll through a Gaelic village

Baile nan Gàidheal | Highland Village Museum, Iona

Fàilte! Costumed interpreters greet you in Gaelic at this 43-acre living history museum and share the stories of their ancestors while you tour the 11 historic buildings. Enjoy songs, stories and music of Nova Scotia's Gaelic-speaking people at traditional ceilidhs. For an immersive encounter check out the Living History Program where you dress in period attire and experience what life was like for our Gaelic ancestors. (Note: space is limited). Perched upon Cape Breton hills, overlooking the Bras d'Or Lake, the sunsets viewed from this historic village are not to be missed.

FLEUR-DE-LIS & MARCONI TRAILS

Fortress of Louisbourg National Historic Site

Fleur-de-lis / Marconi / Sydney Area

NovaScotia.com

Living history and a lively port city

The Fleur-de-lis Trail begins at the Canso Causeway and winds its way along the southeastern part of Cape Breton Island, where Acadian fishing villages dot the coast, hugged by untouched wilderness.

From the Fleur-de-lis Trail, continue onto the Marconi Trail, where a storied past will immerse you in its rich history. Enter the largest reconstructed fortified town in North America, the 18th-century French Fortress of Louisbourg National Historic Site which offers a peek into the daily lives of the costumed interpreters' personas. Descend into a coal mine with a retired coal miner at the Miners Museum in Glace Bay. At the Marconi National Historic Site, learn how the first wireless message transmitted across the Atlantic led to today's network of global communications.

Music is a vital part of life in this region. Feel the excitement at the award-winning Celtic Colours International Festival each fall. This nine-day Celtic music extravaganza brings the whole island alive with music and energy. Take in one of the shows at the Louisbourg Playhouse, a theatre-in-the-round performance venue inspired by London's 1599 Globe Theatre, or the Highland Arts Theatre in Sydney.

At the port city of Sydney, enjoy a stroll along the waterfront boardwalk. Take a selfie with the giant fiddle standing 18 metres (60 feet) tall, and savour the flavours of fresh, chef-prepared dishes inspired by the sea at one of the local restaurants overlooking Sydney Harbour. Check out the downtown shops along Charlotte Street, and don't miss the collection of locally made one-of-a-kind masterpieces at the Cape Breton Centre for Craft and Design.

EASTERN SHORE

An outdoor enthusiast's paradise

Stretching from the Halifax area to Cape Breton Island, Nova Scotia's Eastern Shore is a place where historically themed attractions, pristine wilderness, comforting cuisine, and expansive beaches come together to create a scenic seaside getaway.

The 100 Wild Islands are a group of over 280 wild islands, between Clam Harbour Beach Provincial Park and Taylor Head Provincial Park. Noted for their historical and ecological significance, most of these islands are now protected in perpetuity. Featured in *Canadian Geographic*, these islands offer sheltered coves of turquoise water with white sand beaches, windswept headlands, and unique boreal rainforests, bogs, and barrens. A rich diversity of seabirds, songbirds, and shorebirds also call this area home. Book a kayaking trip or scenic boat tour to experience this pristine environment.

Step into Nova Scotia's past at one of the region's living-history museums—the authentic late-1800s setting of Sherbrooke Village Museum, or Memory Lane Heritage Village's depiction of the province's rural industries in the 1940s or discover Chezzetcook's Acadian heritage at Acadian House Museum.

Unexpected discoveries
